About us:

Association of Friends of Youth Ljubljana Moste-Polje is nongovernmental and humanitarian organization. For the past 60 years, we have been creating programs for children and youth, through which we enable them equal opportunities and healthy growth. We put special emphasis on defending children's rights, and organize leisure activities through creative workshops, sports and education to give them knowledge on values of solidarity, tolerance and openness.

We are trying to improve the living conditions of socially neglected children and families and point out necessary changes for decent life of people in need. We offer them financial, material, psychosocial and legal help and support them on the way to better future.
